...and in the end we shall achieve in timethe thing they call
divinewhen all the stars will smile for me,then all is well and well
was all for alland forever after,maybe in the meantime wait and seeWe
love the all the all of youOur lands are green and sky is blueWhen
all in all we're just like youWe love the all of you...and when I cry

for me I cry for youwith tears of holy joy
for all the days you've still to come,and did I ever say I'd never playor fly toward the sunmaybe in the meantime something's goneWell that sounds fine so I'll see ya sunshineGive my love to the future of the humankindOK, OK, that's not OKand while it's on my mind there's a girl to fit the crimeof a future lovers dream that we've still to find

a song, for whatever chord progression you choose
